## EXPERIMENTS AND THE JUNGLE

**The VIDA! Science Center** at the Brno Exhibition Center engages you in science amusingly and comprehensibly. For a 5-year-old kid or a 40-year-old parent. It is suggested to TOUCH! X-ray eyes, flood simulator, rotating room... Experiments everywhere. It smokes, bangs, changes colors. Launch a hydrogen rocket, freeze your

shadow, unleash a tornado! The most exotic forest in Moravia? Welcome to **Brno Zoo!** Red pandas or Kamchatka bears infect you with good vibes. During guided feeding sessions, they do funny tricks! Children don't know what to do first – rope center, playgrounds, yard with goats begging for pellets. Lunch in style with curious giraffes in view.

## EXPLORING THE MYSTERY OF CAVES

**The Moravian Karst House of Nature** is fun for both adults and children. Discover the ancient history when the entire area was a vibrant coral sea in the fully accessible ground floor. Learn about cave formation and meet our cave-dwelling ancestors. Ascend winding stairs to an interactive room with maps and 3D cinema. Little spelunkers will find a

playroom here. Outside, there's a geopark and water game to explore stream flows through the karst. Attention climbers! If you don't suffer from claustrophobia, try **Speleoferata**, an underground rope route. Even four-year-old children can handle the easier version. Adrenaline like nowhere else in the country.

## UNDERGROUND OR BEACH?

Explore the **Znojmo Underground!** One of Central Europe's largest underground labyrinths, spanning about 27 km, will amaze you with its alchemist workshop, animated rocks, bats, goblins, and a glimpse of prison cells. The kilometer-long tour is full of effects, ensuring no boredom. Or choose from 3 adrenaline routes with a headlamp.

Water lovers? Enjoy the "moravian sea" - **Vranov Beach**, slides, rope courses, entertainment programs, outdoor cinema, night scavenger hunt, or family festivals. Nearby, discover **Vrunoff Park** - a fun family area where you can flex every muscle in a 3D maze with a mysterious cave. And the Podýjí National Park is within reach.

## INTO HISTORY WITHOUT A TIME MACHINE

Kiddos complain at the mention of castles? Not during the **Pernštejn Castle** tour! Over eight centuries, it was never conquered. They smartly explain history here. Kids adore the Lost White Lady trail. With teens, opt for the abbreviated route. It's one photogenic castle! Explore the newly opened castle gardens on terraces. Discover charming structures like the

Chinese Pavilion, hermitage, Turkish baths, obelisk, and waterfall. Where next? In summer, head to the **Ghost Museum** in Olešnice, in the former icehouse cellar! Or check out the **Model Railway Museum** in Křetín, open year-round. The panoramic railway world occupies an entire large room, spanning 40 m<sup>2</sup>.

## A COWBOY OR AN ARCHAEOLOGIST

A cool cowboy or a free-spirited wild Indian? Yeah!

**The western town Boskovice** perfectly recreates the Wild West vibe in an old quarry. Girls and boys will love it. Shows in the natural amphitheater with a waterfall, authentic saloon, log cabins for overnight stays. No need to think of ways to entertain the kids! Get active with tomahawk throwing, gold

panning, or horseback riding lessons.

Nearby, year-round interactive games at **Blansko Castle** await! The Time-Space Archaeological Playroom offers fun during tours. With archaeologist Pazourek, kids seek the origin of a magical bear tooth, earning a medal for solving the mystery.

## INTO THE REALM OF PERMONS

Amid of the Oslavany industrial complex, find **Permonium Park!** The Czech Republic's largest above-ground maze challenges both body and mind. Attractions like the mine lake, volcano with a two-level rope center, jungle, and mining tunnels... keep both little kids "permons" (dwarf miners from Czech folklore) and adult company directors entertained.

Don't skip **Rosice Castle** nearby, featuring stunning chambers and a permanent toy exhibit spanning from the 1950s to today. Explore the rare anti-atomic shelter beneath the castle garden, part of the tour! For outdoor fun, head to the **Neslovice rope center**, where kids and adults can climb with or without an instructor.

## JUMP, WHOOP, HEY!

You're in Slovácko, delve into folklore and traditions. **Skansen Strážnice** offers a lively journey through history and vibrant folklore, unique in the Czech Republic. Children experience their peers' lifestyle from their great-grandmothers' time, see domestic animals, smell herbs, or taste homemade cakes, enjoy learning about traditional practices like brick-making,

wall-building and laundry. Visit the cozy **Hodonín ZOO**. It has a nice family atmosphere in the natural floodplain forest, with rush free. The zoo protects 70 endangered species of global fauna. Children enjoy the exhibits of feline predators, playful marmosets, lemurs, and adorable meerkats.

## NOT ALL PARKS ARE THE SAME

Planning a trip to Aquapark or Dinopark in Vyškov? Start at **Zoo Park Vyškov**. A mini train ride takes you to dinos. It has domestic and farm animals from around the globe. You'll be amazed by the size of the rabbit and the variety of chicken breeds! At Dvoreček, children can pet and feed kid goats and other domestic animals. There's also plenty of

exotic animals, from lemurs to tapirs. In contrast, **Slavkov Castle** is like a piece of France near Brno. Napoleon and the Battle of the Three Emperors is a pivotal moment in history. Enjoy the castle garden with statues of ancient gods, perfect for a picnic or exploring the Chinese pavilion. You can even play golf!

## DIVING INTO A SEA OF FUN

The ultimate swim destination just 20 minutes from Brno:

**Aqualand Moravia** in Pasohlávky, boasting thermal water rich in minerals and stunning Pálava views! Children enjoy 20 slides and water attractions, while adults unwind in the sauna. Weekend and summer entertainment programs add to the fun! No rush! Stay at Merkur

campsite or Laguna bungalows, just 2 km away. With activities from relaxation to sports and sightseeing cruises, there's something for everyone. Don't miss **Archeopark Pavlov** nearby! Prehistory dull? Pavlov will make you a fan! Kids cherish the exhibition with video projections and hands-on prehistoric workshops.

## FOR OUR PRINCES AND PRINCESSES

**Milotice** is a filmmakers' favorite castle. Enjoy renting splendid period costume replicas for yourself and the kids, but be sure to reserve in advance. Explore the lavish garden and elegant chambers! Kids will love the stables and dragon's lair with treasure, while everyone will enjoy cake at the castle café. Old times are charming! Embark on a wisdom journey

at the **Kyjov Regional Museum**. Kids may see a mole, ground squirrel, and falcon for the first time— all stuffed for detailed examination. Discover songbirds near the tree with bird songs! The installation of 3 biotopes showcases Kyjov's fauna, accompanied by projections, soundscapes, and touchscreens.

## SUPERHEROIC EXCURSIONS

Discover the world's largest museum of music and entertainment tech at **Terra Technica** in Hatě u Znojma. From genuine Batmobiles and coffee with Elvis to iconic jukeboxes, it's a trip through entertainment history, from 1880 to today. **Merlin's World** boasts 200 indoor and outdoor attractions, perfect for all ages from babies to grown-ups.

Enjoy roller coasters, mini-golf, and giant trampolines for endless fun! Relax nearby in nature on the educational trail near Vrbovec, featuring rest areas and summer pools. **The Hroznová Koza Trail** is stroller-friendly, offering kids fun tasks and adults wine tasting. Nearby in Chvalovice, enjoy a fantastic playground.

## EXERCISE YOUR SENSES

Fingers may be nimble, but what about gross motor skills? Test them with outdoor activities! At **Park Hájenka Břeclav**, explore archery and balance beams in a rope center. Enjoy coffee and grilled treats as you take your time in this fabulous area. Just a stone's throw from Valtice, explore the **Barefoot Trail**. This pleasant 5 km circular walk on the Austrian-Czech

border, led by Barefoot Bertík, offers 11 stations where feet are massaged by pine cones, bark, sand, and stones. Enjoy balancing on a wobbly bridge and the sensory thrill of walking barefoot on natural materials. Have time? Bring the kids to the **World of Fairy Tales and Ghosts** in Valtice.
